RE: Section 80, Transmission Line Rebuild

Good Morning Mr. Goggin,

I have reviewed your submittal for a transmission rebuilding through the Town of Warren.

After speaking with the Planning Board Chair, we decided a Planning Board review would not be necessary.

A permit is included with this letter. Please do not hesitate to contact me should you have any additional questions.

Best regards,

Melody

-------	---

State Law requires the use of Erosion Controls.
 The Town of Warren requires Certificates of Occupancy.
 Call for inspections when your job is roughed in and when it is complete.
 This permit must be kept posted until a Certificate of Occupancy is issued.
 The Tax Assessor will be on your site to evaluate any changes for tax purposes within the next year.
Warren does not review structures for compliance with the Maine Uniform Building and Energy Code.
